

Jerry Childs, DO was born and raised in Oklahoma. Graduated Berryhill High School 1973, Oklahoma University 1978 and the OSU College of Osteopathic Medicine 1981. Did rotating internship at Chicago Osteopathic Hospital and started practice of Emergency

Medicine in 1982. Became board certified in 1988 in Emergency Medicine. Practiced Emergency Medicine for 30 years, then took the position of Medical Director of the Oklahoma County Jail. Have been involved in correctional medicine for the last 10 years. I am now semi-retired; my wife Nancy and I hope to do much traveling and spending time with 7 grandchildren. I am continuing to do medical mission trips, working with Samaritan's Purse medical missions. I am active in a faith based 12 step recovery program. Currently testing out the theory, one can only play so much golf.
