A professional portrait of Rebecca D. Lewis, DO, FACOFP, the 123rd president of the Oklahoma Osteopathic Association. She is a woman with shoulder-length, wavy brown hair, wearing red-rimmed glasses and a dark blue blazer over a white top. She is smiling warmly at the camera. The background is a soft, out-of-focus blue. A small gold pin is visible on her lapel, and she is wearing a gold necklace with a fan-shaped pendant.

A TRIBUTE

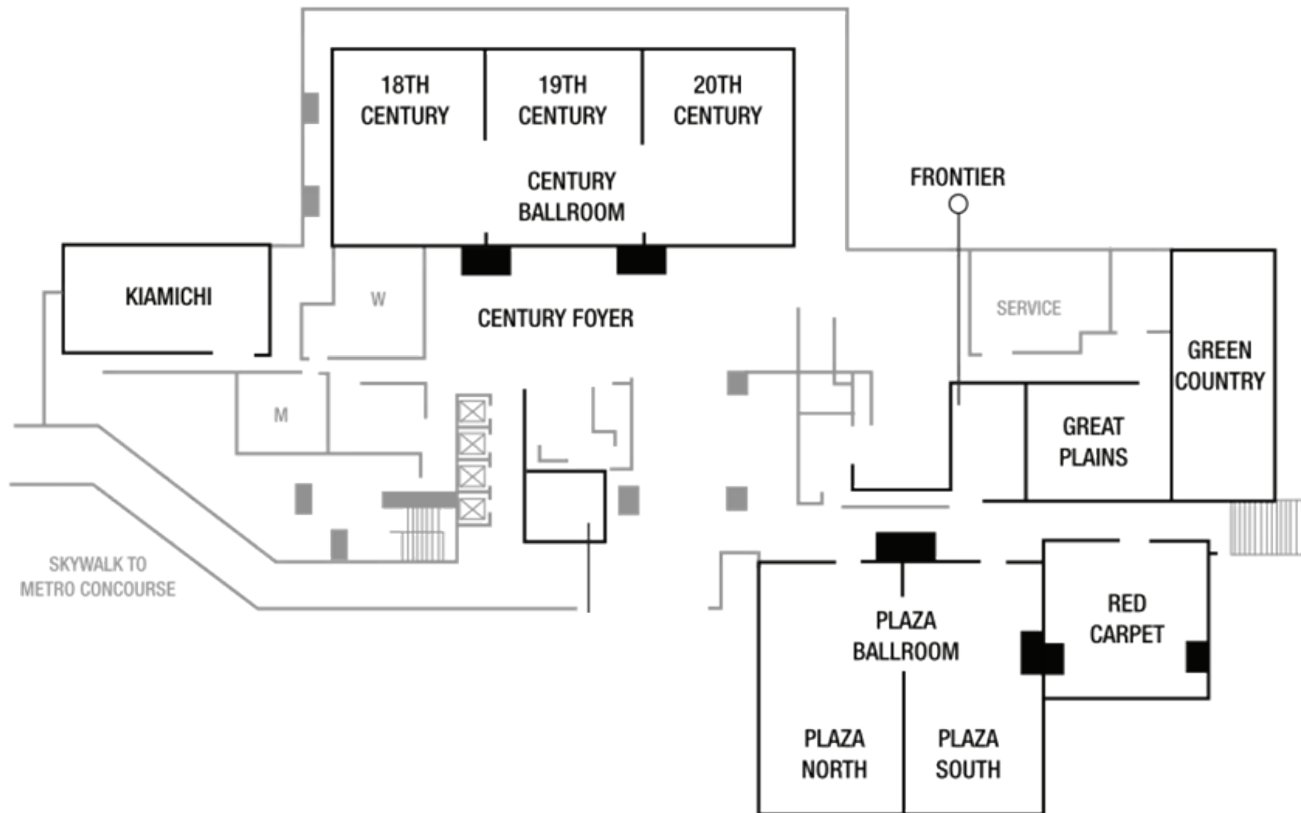

President Rebecca D. Lewis, DO, FACOFP

As the 123rd president, and fifth madam president, of the Oklahoma Osteopathic Association, President Lewis stands out as a testament to her unwavering leadership. During a year fraught with adversity, she displayed remarkable resilience, guiding the OOA through uncharted territory and emerging stronger on the other side. Her commitment extended beyond simply navigating challenges. Dr. Lewis ignited a passion for osteopathy in future generations through dedicated mentorship and hands-on experiences, fostering local and national involvement. This investment in the future ensures the OOA's continued growth and influence for years to come.

Better health care for all Oklahomans is the primary purpose of the foundation.

Designated funds are used to support student scholarships annually to enrich the Oklahoma State University Center for Health Sciences College of Osteopathic Medicine, located in Tulsa, and the Cherokee Nation, and to maintain the Oklahoma Osteopathic Educational Center.

The Oklahoma Educational Foundation for Osteopathic Medicine was founded in 1967 with the mission of providing support to past, present, and future osteopathic physicians through scholarships and other financial aid. In 1985, the OEFOM Board of Trustees decided to build a safe haven for the osteopathic community located at 4848 N Lincoln Blvd, naming it the Oklahoma Osteopathic Educational Center. Thirty-seven years later, the mission and vision remain the pillars of the OEFOM. However, time has moved on, and the funds have dwindled due to COVID-19 hardship scholarships, building maintenance, multiple student scholarships, stethoscope donations, and other day-to-day necessities.

I am writing to you today to ask for your consideration of a tax-deductible contribution of \$100, \$250, \$500, or \$1,000 or more to the general fund and/or the building maintenance fund. Your contribution, of any amount, to any of the following funds would be greatly appreciated.

- General Fund
- Building Maintenance Fund
- Student Stethoscope Sponsorship
- Please use my contribution where it's needed most

Tax-deductible gifts can be easily made to OEFOM in the following ways:

- Make a secure donation online at www.okosteo.org » Foundation [tab at top right of page] » Donate to Foundation
- Scan the QR Code to be taken directly to the donation page
- Mail this form with your check or credit card information to 4848 N. Lincoln Blvd., Oklahoma City, OK 73105

Thank you in advance for your continuing financial support that will allow the OEFOM to support osteopathic medical students and to maintain the headquarters for both OEFOM and the OOA.

Sincerely, 

Jacob Young
OEFOM Coordinator
On behalf of the OEFOM Board of Trustees

The OEFOM was founded in 1967 and chartered by the State of Oklahoma as a 501(c)(3) nonprofit, charitable organization, with objectives to promote and support the education of physicians and students in osteopathic medicine. If you have questions as to how your dollars are being spent, call (405) 528-4848.

Program Attendees Notice

Thank you for your continued support of our continuing medical education (CME) offerings. Please feel free to contact our staff representatives to resolve any problems you may have regarding facilities, handouts, program contents, etc. Should you have concerns about the program's compliance with the American Osteopathic Association (AOA) Uniform Guidelines, please express these concerns to Chrissa Watson Director of CME Programs, Oklahoma Osteopathic Association. For any unresolved issues regarding compliance with the AOA Uniform Guidelines, you may contact the AOA Division of CME at 142 E. Ontario Street, Chicago, IL 60611, 800-621-1773.

How Speakers & Topics are Selected

The Oklahoma Osteopathic Association's Bureau on Continuing Medical Education meets twice annually to choose seminar chairs, topics of interest, and the best presenters available to speak on each chosen topic. In addition, past program evaluations are used in determining speakers and topics from past conferences.

Grievance Policy

Program grievances will be presented to the Oklahoma Osteopathic Association Board of Trustees and dealt with appropriately. If this action did not resolve the problem to satisfaction, the person with the grievance will be directed to the American Osteopathic Association's Division of Continuing Medical Education.

Commercial Exhibit Area

All exhibit areas are arranged in a separate room adjacent to the conference meeting room. In some instances, foyer space is utilized for spillover when needed. Exhibit booths are reserved by the Oklahoma Osteopathic Association and are available on a first-come-first-serve basis. Exhibit space is assigned in some instances, i.e., near the door for book sales, near electrical outlets for those exhibits that need electricity.
