

Trang Nguyen, Pharm.D, BCGP, FAIHM, is a Board-Certified Geriatric pharmacist and a fellow of the Academy of Integrative Health and Medicine. She works at Boomer Solutions (Oklahoma) as a consultant pharmacist for Skilled Nursing Facilities, Assisted Living Facilities, and Intermediate Care Facilities for Individuals with Intellectual Disabilities.

Dr. Nguyen graduated from the University of Oklahoma College of Pharmacy in 2008. She worked as a clinical staff pharmacist at the VA Medical Center for two years and as a community pharmacist at Walgreens for over 15 years. She is a volunteer instructor for the Oklahoma State University Osher Lifelong Learning Institute teaching medication safety to seniors and caregivers. Dr. Nguyen also provides many free medication seminars for older adults in Oklahoma City.
