

Carter Check, MDiv, CCC, is a board certified mental health chaplain at the Eastern Oklahoma VA Medical Center in Muskogee, Oklahoma. Chaplain Check works alongside the Department of Behavioral Medicine as a clinical chaplain at both the Muskogee East Mental Health Clinic and the Tulsa Behavioral Medicine Clinic where he leads the REAL Moral Injury Clinics, the first of their kind in the state of Oklahoma's Veteran care programs. He is an active member of the Suicide Prevention and Postvention teams. He works interdisciplinary with the Executive Mental Health Council, Substance Use Disorder Intense Outpatient Program, PTSD core team, Intimate Partner Violence and Military sexual trauma to help support our Veteran's spirituality- that which gives them meaning, purpose and values for their lives.
