

Kristopher Avant, DO, is an Oklahoma native, a Yukon High School graduate, a University of Oklahoma Bachelor's of Science degree holder, and obtained his doctor of osteopathic medicine degree from Oklahoma State University Health Sciences Center.

Dr. Avant completed his residency in orthopaedic surgery at Bone & Joint Hospital at St. Anthony in Oklahoma City and completed a Hand & Upper Extremity Fellowship in Tampa, Florida, at the Florida Orthopaedic Institute. While in Tampa, Dr. Avant had the opportunity to work extensively at the Shriner's Hospital for children.

In addition to practicing a comprehensive range of general orthopaedics, including trauma, joint replacement, and sports medicine, Dr. Avant specializes in hand, wrist, elbow, shoulder, and microvascular surgery.
