

Stephanie Letney, DO is a 2015 graduate of Oklahoma State University, College of Osteopathic Medicine in Tulsa, OK. She completed her family residency at OSU and received her board certification in 2018.

Growing up in Poteau, OK, she saw firsthand the impact of local physicians in small communities. She deeply enjoys providing care to the community of Cleveland, OK, and the surrounding area. So far, Dr. Letney has been able to bring “Reach Out and

Read” to her patients and is always looking for ways to expand care and available resources to the local area.

She has been married to her husband, Michael, for 11 years and together they are raising 4 wonderful children and their pet ducks.
