

Shari Moore, RN, BSN, graduated from the University of Oklahoma with a bachelor's degree in Nursing. Her experience in clinical practice was in the field of Maternal-Child Health. Other experience includes nurse recruitment and case management. She has been the Vice-President of Risk Management at PLICO since 2008.

Prior to joining PLICO, Shari was the Risk Manager of an acute care hospital and a Regional Risk Manager for a national hospital management company with responsibility for her local hospital's risk management activities as well as oversight of 13 sister hospitals in five states. She is an active member of American Society for Healthcare Risk Management and the Oklahoma Society of Healthcare Quality and Risk Management. Her mission is to provide proactive Risk Management education to PLICO's insured providers.
