

Tessa Chesher, DO

Dr. Tessa Chesher is the Medical Director of the Children's Specialty Program at Oklahoma Complete Health where she focuses on improving the health of Oklahoma's children who are in State's custody. She is dually board-certified in general psychiatry as well as child and adolescent psychiatry. She received her general psychiatry training at the University of Oklahoma School of Community Medicine and her child and adolescent psychiatry training at Tulane University

School of Medicine where she also completed a Harris Fellowship in Infant and Early Childhood Psychiatry.

Dr. Chesher's professional interests include infant and early childhood mental health, trauma, and pediatric consultation-liaison psychiatry. Dr. Chesher also collaborates with the Oklahoma Department of Mental Health to provide infant and early childhood mental health consultation and education across the state of Oklahoma.
