About the OEFOM

The OEFOM was founded in August of 1967 and chartered by the State of Oklahoma as a 501 c(3) nonprofit, charitable organization. Because of the need for additional physicians in the state, especially those in primary care, members of the Oklahoma Osteopathic Association provided wholehearted support of the Foundation by first granting the Foundation a substantial loan, then by individually pledging contributions of \$1,000 or more plus voluntary quarterly gifts. Lay persons soon joined the effort and the OEFOM has continued to grow. OEFOM is governed by a Board of Trustees comprised of DOs and lay persons of varied experiences.
